Sir:

This is an Information Disclosure Statement submitted under 37 C.F.R. § 1.97 within the time specified under 37 C.F.R. § 1.97(b).

In order to comply with the duty of disclosure pursuant to 37 C.F.R. § 1.56, submitted herewith is a Form PTO SB/08A, listing the documents (**B1**), which is cited on page 1, paragraph [0002], and (**C1**), which is cited on page 10, line 3 of the first paragraph, where their relevance is indicated. Copies of both documents are being provided.

Please note that document **B1** is cited in the specification as "German Patent 123741."

This is an error; the document should read "German Patent 1237541" (the number "5" was inadvertently omitted). Accordingly, Applicants are filing a Second Preliminary Amendment concurrently with this Information Disclosure Statement to correct the error.

In view of the above, no further statement of relevance need be given and, as all requirements of 37 C.F.R. § 1.97 and § 1.98, and all official guidelines pertaining to Information Disclosure Statements have been complied with, it is respectfully requested that the Examiner consider the cited publications and make them of record.

This Information Disclosure Statement accompanies a non-provisional patent application which is being submitted concurrently.

It is believed that no fee is required for the submission of this Information Disclosure Statement; however, if a fee is determined to be due, please charge the amount to our Deposit Account No. 22-0261, and advise the undersigned accordingly.

Respectfully submitted,

Date: October 29, 2008
